

Petroleum (Mandatory Blending of Anhydrous Ethanol with Unleaded Petrol) (Amendment) Regulations, 2021 (No. 4)

---

IT is hereby notified that The Minister of Energy and Power Development has, in terms of section 57 of the Petroleum Act [Chapter 13:22] and after consultation with the Authority, made the following regulations:—

1. These regulations may be cited as the Petroleum (Mandatory Blending of Anhydrous Ethanol with Unleaded Petrol) (Amendment) Regulations, 2021 (No. 4).

2. Section 4(1) of the Petroleum (Mandatory Blending of Anhydrous Ethanol with Unleaded Petrol) Regulations, 2013, published in Statutory Instrument 17 of 2013, is repealed and substituted by the following—

“(1) No procurement licensee or wholesale licensee shall sell unleaded petrol, unless the unleaded petrol has been blended with a minimum of ten *per centum* locally produced ethanol, being ethanol blend grade E10, which is produced by a licensed blender:

Provided that the Authority in consultation with the Minister may, by publication of a notice in one or more newspapers which widely circulate in the country and on the Authority’s website, grant an exception from the level of blending in exceptional circumstances.”.
