## Regularisation of Improperly Cleared Vehicles

The Zimbabwe Revenue Authority (ZIMRA) is hereby inviting the public, companies or such other entities who may be in possession of vehicles that were not properly cleared through ZIMRA, to approach their nearest ZIMRA Regional Office to regularise such clearances. The irregular cases could be of fraudulently registered vehicles, smuggled, undervalued vehicles, offences relating to temporary importation of vehicles, or any other Customs offence relating to vehicles.

If such persons, with the vehicles so described above, contact ZIMRA offices not later than **Monday 8 November 2021**, and make acceptable payment arrangements, not exceeding three months, penalties will be waived. What will remain due and payable are the full duties or additional duties due, and interest.

Persons who wish to take advantage of this rare window period should contact the following offices for appointments to be made, and their cases reviewed.

Please note that due to the Covid-19 period we are in, it is important that appointments be made to enable proper observance of Covid-19 protocols, and avoid the spread of the virus.

The contact details for the different Customs & Excise Regions, which are reachable during the week from 8am to 5pm, are as follows:
