Guest houses					International Artists	Social influencer

### Outstanding Tax Returns and Payments

- All taxpayers with outstanding returns are reminded to submit them without further delay. Late submission of returns and late payments of tax attract penalties, interest and prosecutions.
- Returns should be completed in full and submitted on time, through the TaRMS system.
- Payments for all taxes should be remitted in full, on time and in the currency of trade.

Please note that there are Self-Service Centres (Kiosks) available throughout the regions for submitting returns.
