

## PUBLIC NOTICE: CONSTRUCTION, IRON & STEEL INDUSTRY STAKEHOLDERS

The Zimbabwe Revenue Authority (ZIMRA) wishes to inform our valued stakeholders in the Construction, Iron, and Steel Industries about the upcoming visits aimed at assessing tax compliance across all applicable tax categories. These visits are part of our commitment to fostering transparency and supporting your compliance efforts. Construction Industry Stakeholder players include the following:

CONTRACTORS	SUPPLIERS
Construction companies	Hardware
Building contractors	Brick molding companies including products of cement
Surveyors	Cement manufacturing companies
Civil Engineers	Iron and Steel manufacturing companies
Electrical Engineers	Timber producers and retailers
Architectures	Electrical manufacturers
Land developers	Quarry product producers
Carpenters, plumbers, painters	Machine Shops/Metal Workshops/Fabricators
Iron & Steel Foundries / Formers	Iron & Steel Merchants/Agents/Distributors
Metal Related Products Consultancy/Services	Other construction related services

### Outstanding Tax Returns and Payments

- a) ZIMRA kindly reminds all taxpayers to submit any outstanding returns as soon as possible. Timely submission of returns and payments helps you to avoid penalties, interest and litigation. By staying compliant, you contribute to building a stronger and more sustainable economy.
- b) Returns should be completed in full and submitted on time, through the TaRMS Self-Service Portal which you can access through the link - <https://mytaxselfservice.zimra.co.zw>
- c) Payments of all taxes are to be made in full, on time and in the applicable currency of trade.

There are ZIMRA Self Service Centre (Kiosks) throughout the Regions for use in submitting returns. By voluntarily staying compliant, you contribute to a fair and sustainable tax system that supports national development. ZIMRA remains committed to providing support and guidance to help you meet your tax obligations.
