TERMS OF REFERENCE

PROCUREMENT ON AN INSOLVENCY AND LIQUIDATION TRAINER TO TRAIN ZIMBABWE REVENUE AUTHORITY (ZIMRA) STAFF.

BACKGROUND

The Zimbabwe Revenue Authority is mandated by the Revenue Authority Act (Chapter 23:11) to assess, collect and enforce payment of all revenues due to the State. Debt Management is one of the enforcement strategies that Zimra uses to effectively and efficiently collect revenue. Some of the debtors may be in financial distress resulting in liquidation or may be placed under Corporate Rescue depending on the recommendation of the creditors and the courts. In June 2018, the new Insolvency Act, Chapter 6:07 was gazetted and it replaced Insolvency Act Chapter 6:04 and some provisions of the Companies Act (Chapter 24:03). The purpose of the new Insolvency Act is to provide for the administration of insolvency and assigned estates and the consolidation of insolvency legislation. Critically, the Insolvency Act replaced judicial management as a business rescue strategy with corporate rescue proceedings. These changes necessitates capacity building of ZIMRA Staff so that they are up to date with the provisions of this new Act. This will ensure correct procedures are employed to safeguard revenue at stake in cases of insolvency or corporate rescue. Internally, ZIMRA does not have the expertise in this regard and will therefore need to outsource such training from qualified practitioners.

OVERALL OBJECTIVE OF THE CONSULTANCY

- To capacitate ZIMRA employees in understanding the provisions of the New Insolvency Act, Chapter 6:07 so that they effectively and efficiently discharge their duties when dealing with insolvent clients, those under liquidation or Corporate rescue.
