2. Technical evaluation to assess the technical quality of proposals against the criteria below, to determine the technical score for each proposal and to determine which proposals reach the minimum technical score given below; and

Proposals failing any stage will be eliminated and not considered in subsequent stages.

Technical Evaluation Criteria:

Work Plan	20
Qualifications of Project Team	20
Total:	100 points

The minimum technical qualifying score required to pass the technical evaluation is 80 points.

Financial Criteria:

Financial scores will be determined by awarding 100 points to the lowest priced proposal and giving all other proposals a score which is proportionate to this.

Total scores will be determined using a weighting of **80 % for technical proposals** and a weighting of **20 % for financial proposals**.

Unsuccessful Consultants will receive the Notification of Contract Award and, if they consider they have suffered prejudice from the process, they may, within 14 days of receiving this Notification, submit to the Procuring Entity a Challenge in terms of section 73 of the Act, subject to payment of the applicable fee set out in section 44 of and the Third Schedule to the Regulations.

Right to Reject:

The Procuring Entity reserves the right to accept or reject any proposal or to cancel the procurement process and reject all proposals at any time prior to contract award.

Corrupt Practices:

The Government of Zimbabwe requires that Procuring Entities, as well as Consultants, observe the highest standard of ethics during the procurement and execution of contracts. In pursuit of this policy:
