REF: ZIMRA NCB 60/2022

30 November 2022

TO ALL PARTICIPATING BIDDERS

**ADDENDUM TO THE BIDDING DOCUMENT ZIMRA NCB 60/2022 FOR THE SUPPLY,
DELIVERY AND INSTALLATION OF CURTAINS AND CURTAIN RODS AT BEITBRIDGE
STAND 480 BLOCK OF FLATS**

Following our site meeting held on Tuesday 24 November 2022 at Beitbridge Stand 480 Block of Flats, for the above captioned works, the below activities took place and was agreed on by all the participants.

ZIMRA explained that the contractors were supposed to curtain 12 French doors and 72 bedroom windows. The dimensions provided in the bid document are for the window/French door openings. The bidder to determine curtain rod length. The curtain length is specified in the tender.

Submission of Bids

All bids are to be accompanied by the following samples.

1. Curtain material size 10 cm wide x 20 cm long
2. Lace material size 10 cm wide x 20 cm long
3. Curtain rod 10 cm long
4. Lace rod 10 cm long
5. 1 x Curtain bracket
6. 1 x curtain rod end
7. 1 x curtain holder.

Preparation of Demo Curtains

The winning bidder will be expected to **make and install "Demo" curtains for all three curtain types on the site**. The winning bidder will be required to invite ZIMRA for the inspection and approval of the installed "Demo" curtains. Once approved, the "Demo" curtains will be part of the project deliverables. The winning bidder will then be expected to mass-produce the outstanding quantities and fit within the agreed timelines.

Site Installations

1. The winning bidder to coordinate works with the Main Contractor's foreman and leave the building in the state they found it in, before fitting the curtains.

A small, handwritten mark or signature, possibly a stylized 'B' or a similar character, located at the bottom right of the page.

2. There is no power (electricity) on site. **Bidders to price for everything necessary** (i.e. power, water, power tools, accessories, and the like) to fulfill their mandate.

All the other requirements in bidding document remains unchanged.
